

SETTING UP A
BUSINESS
IN KUWAIT
DOESN'T HAVE TO BE DIFFICULT

AEON GULF IS A LEADING

BUSINESS
SETUP
COMPANY

The company is owned and managed by a group of Kuwaiti nationals and expatriates, who bring together years of experience in dealing with the Kuwait business community combined with strong relationships across both the private and government sectors.

We believe that Kuwait is at a stage in its development where it needs to open its doors to the world. In line with this vision, the appropriate infrastructure must be created to facilitate the ease of doing business in Kuwait. Aeon Gulf is part of this infrastructure.

We are passionate about what we do and how we do it. Integrity, credibility and honesty are our core values. Our clients know us for our consistency, reliability and predictability.

Good partnership is what Aeon Gulf stands for.

WE CAN
ADVISE
YOU ON ESTABLISHING
A COMMERCIAL PRESENCE IN KUWAIT

The scope of our practice includes advising our clients on all processes and procedures involved in establishing a business in Kuwait.

We also provide silent shareholder and silent agent services to businesses looking to set up in Kuwait, tapping into our wide ranging network of business contacts across the country.

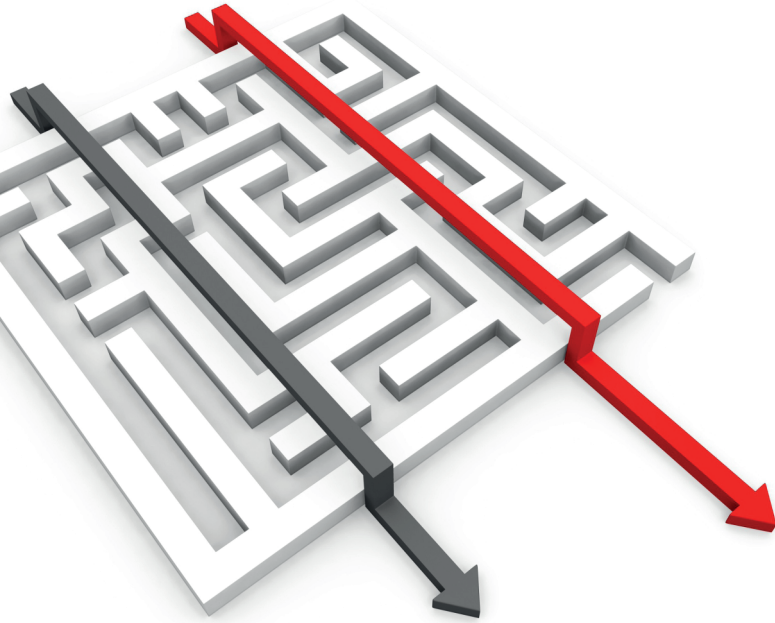

Our clients include businesses from the energy, manufacturing, transport, logistics, information technology and engineering sectors.

WE HELP YOU

NAVIGATE

THE MAZE OF

GOVERNMENT AGENCIES

Aeon Gulf has strong, well-established business and administrative relations within the country helping you to successfully compete in bids and tenders.

For foreign investors in Kuwait we can help speed up the process when it comes to employment visas and can act as government liaison (PRO) with the relevant government bodies.

We can deliver quick turn around periods for government approvals and licenses, such as commercial license, Public Authority for Manpower files or Kuwaiti driving license.
